CELEBRATING OUR Attendance

This week, our whole school attendance was 94.89%. There is no doubt that the children with the best attendance are the ones who are best able to access the curriculum.

KEY STAGE 1 ATTENDANCE:

YR- 97.78%

Y1- 96.30%

Y2- 95.40%

KEY STAGE 2 ATTENDANCE:

Y3- 93.25%

Y4- 95.00%

Y5- 91.57%

Y6- 95.48%

USING THE FIRST AVENUE ENTRANCE

Thank you for your support in using the First Avenue entrance to bring your children to the Year 1 and Year 2 classrooms.

We are lucky that you are all very patient and appreciate that safely dismissing so many children from the main entrance takes some time; it has really helped that some of the children are now using the Year 1 and 2 exit doors.

As mentioned on last week's newsletter, we can arrange for siblings to walk to the Year 1 or Year 2 classroom so that you can collect your children from the same door.

MEET THE STAFF

We are looking forward to our 'Meet the Staff' evening next week on Tuesday 30th September @6pm in the school hall. We will introduce all the staff, share any updates and useful information with you, and answer any questions you may have. You will then have the opportunity to visit your child's classroom and meet their teacher. We were hoping to make this a meeting for parents and carers; if possible, could you try and attend without your child/children.

MACMILLAN COFFEE AFTERNOON

We are holding a Macmillan coffee afternoon on Friday 26th September from 2:15pm – 3:15pm. Everyone is welcome to help us support this wonderful charity. Donations of cakes will be greatly appreciated.

PARENT GOVERNOR ELECTIONS

The Headteacher will be sending out information regarding the election of 2 parent governors in the very near future. Before she does, I thought it may be helpful for anyone interested, for me to give a brief overview.

Parent governors are a core part of a school's Board of Governors. The role is voluntary and unpaid. The role of a parent governor is no different to any other governor. Governing boards make strategic decisions and work together to:

- develop a vision and strategy for the school
- oversee financial performance and make sure money is well spent
- hold the headteacher to account for the educational performance of the school
- engage with pupils, staff, parents and the wider school community to understand their views

Parent governors play a vital role on governing bodies, holding the unique position of having a parental viewpoint of the school. Through the children, they have a first-hand experience of the delivery of the curriculum, and how the school is perceived from the 'consumers' point of view. This enables parent governors to bring a different perspective to the strategic management of the school.

It is important for parent governors to establish a rapport with the parental body which elected him/her, whilst continuing to maintain a strategic approach to school governance. Although being available to advise parents on appropriate routes of action is a very important aspect of the role, it is vital that parent governors do not personally become involved in individual concerns. Confidentiality

and impartiality need to be maintained at all times.

While all parents are concerned with their own child's best interests, a parent governor must make strategic decisions that are in the best interests of the whole school community – governing boards work as a team to make collective decisions.

The role of governor, although demanding and challenging at times, is very rewarding too. We hold one full governing body meeting each term, in the evening, in addition two committee meetings per term, usually held during the day. You will receive the necessary training to help you settle into your role and we usually 'buddy' new governors with an experienced governor. There is also mandatory training. You will have to undergo a DBS check, a governor eligibility check, complete a declaration of interest and agree to our Code of Conduct.

There will be more information in the election pack and on the LA website to help you make an informed decision as to whether this may be for you. We look forward to welcoming the successful parents to our team.
