#### **YOUNG VOICES CONCERT**

We're excited to share that our Year 5 pupils will be taking part in the Young Voices concert in Manchester on **Thursday, 5th February 2026**.

Young Voices is more than just a performance – it's a year-long, inspiring and educational programme designed to build confidence, support wellbeing, and create lasting musical memories for our children.

Earlier this week, Year 5 parents were sent an email containing **a link and QR code** inviting them to join the Young Voices Music Room. This platform allows you to purchase **tickets and t-shirts** for the event.

#### **Please note:**

Tickets and t-shirts are available at a special school offer price **until 31st October 2025** via the Music Room. After this date, any remaining tickets will only be available from the arena box office at a higher price – and many concerts are likely to sell out before then.

We encourage families to book early to avoid disappointment and to be part of what promises to be a memorable experience for both pupils and parents!

### **RED CARD AGAINST RACISM**

Sandra Cullen and I accompanied Mr Finch and Y6 to the Brick Stadium to take part in the above educational event in partnership with Wigan Athletic.

The behaviour of the children was impeccable, both on the walk to and from the stadium and at the event itself.

They were commended for their questions, answers and engagement during the workshops. Y6 you were a credit to yourselves, your parents/carers and to school.

Thank you and well done - you should be proud of yourselves.

## **PARENT GOVERNOR ELECTIONS**

The Headteacher has now sent out letters with information regarding the election of the 2 parent governor roles – if you have not received a letter and wish to apply you can collect one at the office.

Please note the application need to be returned by 12pm Friday 7<sup>th</sup> November 2025.

Parent governors are a core part of a school's Board of Governors. The role is voluntary and unpaid. The role of a parent governor is no different to any other governor. Governing boards make strategic decisions and work together to:

- develop a vision and strategy for the school
- oversee financial performance and make sure money is well spent
- hold the headteacher to account for the educational performance of the school
- engage with pupils, staff, parents and the wider school community to understand their views

Parent governors play a vital role on governing bodies, holding the unique position of having a parental viewpoint of the school. Through the children, they have a first-hand experience of the delivery of the curriculum, and how the school is perceived from the 'consumers' point of view. This enables parent governors to bring a different perspective to the strategic management of the school.

It is important for parent governors to establish a rapport with the parental body which elected him/her, whilst continuing to maintain a strategic approach to school governance. Although being available to advise parents on appropriate routes of action is a very important aspect of the role, it is vital that parent governors do not personally become involved in individual concerns. Confidentiality and impartiality need to be maintained at all times.

While all parents are concerned with their own child's best interests, a parent governor must make strategic decisions that are in the best interests of the whole school community – governing boards work as a team to make collective decisions.

The role of governor, although demanding and challenging at times, is very rewarding too. We hold one full governing body meeting each term, in the evening, in addition two committee meetings per term, usually held during the day. You will receive the necessary training to help you settle into your role and we usually 'buddy' new governors with an experienced governor. There is also mandatory training. You will have to undergo a DBS check, a governor eligibility check, complete a declaration of interest and agree to our Code of Conduct.

There will be more information in the election pack and on the LA website to help you make an informed decision as to whether this may be for you. We look forward to welcoming the successful parents to our team.

Chair of Governors
